Andrew: gameday
Andrew: get ready for 4+ months of obnoxiousness
me: “Typical Harry Reid,” Vitter wrote to supporters in a message with the subject line, “More Scheduling Hijinks.” “He’s now scheduled votes that should’ve been held this morning for right before and right AFTER prez’s speech. Pens in those who would have skipped speech, like me. So now I’ll miss my own Saints game party at home. Always knew Harry was a Dirty Birds fan! Don’t worry — only strengthens my Who Dat resolve. On to the Super Bowl!”
Andrew: We're not playing the falcons
Andrew: what a piece of shit
